MILLIONAIRE MOM: THE UNCOMPROMISING MINDSET OF HAVING IT ALL

No one ever told me that to become a butterfly, I had to stop being a caterpillar. So many of us see where we want to go in life but have no idea how to get there. Walk with me through my personal story of "good enough" and letting go of perfection in pursuit of peace. From quitting my job to move to China to be a professional stuntwoman, to firing 80% of my clients to be home with my newborn, this talk is perfect to inspire and encourage women.

OBJECTIVES: Getting over the attitude of having to do it all, what work/life balance really is, how to earn the money you deserve.

PLAN FOR SUCCESS: THE ART OF KNOWING WHAT YOU WANT AND HOW TO GET IT

If you want higher return on investment from your clients and team, then you need the 10,000 foot view. This starts with knowing what you want, why you want it and how to get it. Dive into how to work ON your business instead of IN it.

OBJECTIVES: Strategy, Business Planning, Overcoming Obstacles

REAL CHANGE STARTS HERE

Ever wonder why your life is just not happening the way you wanted it? Begin to understand that your biggest obstacle might be your mindset. Learn to recognize negative thought patterns, self-doubt, and bad habits. Embrace new strategies to create pathways to success in business and life. Create a vision map for your life to ensure you arrive exactly where you want to be and enjoy the journey. Any conference will be exponentially more successful by starting with this presentation!

OBJECTIVES: Mindfulness practices for empowerment, motivation, and priorities

PSYCHOLOGY OF SELLING

Never sell another day in your life but have more sales than your company has ever experienced. All you need is 3 techniques that will give you the confidence and the approach to generating sales and impacting relationships for a positive outcome.

OBJECTIVES: Sales Strategy, Sales Plan, Meeting Goal, Building Client Relationships

“Bunny’s presentation changed my mindset. I used to think of my personal and work life as having two separate goals and values. Now I realize that I can and should live my personal values in every aspect of my business. That authenticity is driving me to become a better person in my business life. It feels refreshing to feel that I’m bringing a ‘greater good’ to my business and clients.”
